RE: Angel Jauregi-Gonzalez

CONTINUATION:

Moments later, the driver of the Mustang, later identified as Angel Jauregi-Gonzalez, made a sudden stop in an open field. The agent saw the driver of the vehicle exit the Mustang and was apprehended. Multiple subjects exited the vehicle in all directions and were apprehended by responding Agents. A total of eight (8) subjects including the driver of the Mustang were apprehended and taken to the Weslaco Border Patrol Station for processing.

Angel Jauregi-Gonzalez, a citizen of Mexico, was read his Miranda rights and agreed to provide a sworn statement.

Jauregi stated he was contacted by a male and asked to pick up illegal aliens. Jauregi agreed to pick up illegal aliens and transport them to an unknown location. Jauregi admitted he was going to receive \$200 per illegal alien he picked up. Jauregi stated shortly after he picked up the illegal aliens he was followed by police and arrested.

Sebastian Guzman-Mendez, a citizen of Mexico, was read his Miranda Rights and agreed to provide a sworn statement.

Guzman stated he crossed the river on the morning of June 23, 2021. Guzman indicated after crossing the river he was picked up by a red car. Guzman said the driver of the vehicle had a red shirt and added the driver told him to get in the vehicle.

Guzman identified Angel Jauregi-Gonzalez, through a photo lineup, as the driver of the red car.
